Greetings,

I'm a recent masters' graduate in Electrical- Computer Engineering from the University of Ottawa, ON, Canada. I have experience as a data analyst & hands-on experience in full-stack development and data science applications.I am hoping I will be able to bring value to your team while upgrading my skills and applying them for accomplishing business objectives.

I am passionate about my work and desire to learn more. I have developed a keen eye for attention to detail, and ethics for hard work, which I am sure, organizations will come to appreciate.

Software and Tools Expertise:

• Programming Languages: Java | SQL | HTML | CSS
• Scripting Language: Python | JavaScript | JShell | Mac Terminal | Windows Command Prompt
• Version Control System: Git
• Database Systems: MySQL | Oracle | SQLite | PostgreSQL | NoSQL (Redis)
• Data Visualization: Tableau | MS Excel
• Project Management: MS Powerpoint | MS Word
• IDE: Intellij IDEA | Eclipse | XCode | Visual Studio Code
• Coding Platforms: MySQL Workbench | pgAdmin | GCP Cloud | DB Browser | phpMyAdmin | JSQLite Studio | Jupyter Notebook
• Code Editors: Atom | Notepad++ | BBEdit | Sublime
• Operating Systems: Mac OS | Windows | Linux | Unix

I thank you for reviewing my resume and I look forward to an opportunity to speak with you sometime in the near future regarding this position. Please feel free to contact me to discuss my professional experience in person, Skype or through the phone.

Sincerely,
Rishabh Garhewal
